#### FEW CHANGES IN FOOTBALL RULES

Inter-Collegiate Football Rule Committee Closed Its Session Without Radical Alteration in Playing Code—Committee Voted to Recommend the Numbering of Players to All Colleges-Field Judge Re-enters the Official Rank.

The annual meeting of the intercollegiste football rules committee, held for the purpose of considering changes in the rules for 1915, closed in New intercollegister punt, to which is added disqualification for roughing the fullback. Under the 1914 rules the naming of a field judge was not mandatory.

The committee voted to recommend The cliants are still in the lead in the numbering of players by all college teams playing under the intercollege, with the Braves and Cubs bunched only a few points behind.
